SAFETY – MISSION ACCOMPLISHMENT – CARING FOR AIRMEN & FAMILIES – DEVELOPING AIRMEN – STRENGTHENING PARTNERSHIPS

Greetings Team Travis,

It was great seeing all of you at the Base Theater last Tuesday for the All Call! Hopefully you were able to attend one of the three presentations to reflect on our tremendous accomplishments so far in 2012 as well as some areas that we need to address as leaders. I want to emphasize that the leaders I speak of are not just commanders, first sergeants and supervisors...I am talking about more than 7,000 leaders that make up our team of Airmen at Travis.

The 99% of you that strive for excellence each and every day need to connect with the 1% that continue to miss the mark. We are past the mid-point for the 101 Critical Days of Summer and I ask that you spend time with your people to reinforce personal responsibility and the need for proactive wingmen to lead us safely through the second half of the summer.

The USO has been lifting the spirits of troops and their families here at Travis AFB since 1984 and I hope you can join me for the USO Grand Opening that will take place at 1100 on 1 August! Come out and see the new facility located behind the Delta Breeze Club. Later in the month, Travis will host the first annual Cultural Diversity Celebration on Wednesday, 29 August. We are definitely going big for this Epcot event that combines the cultural heritage months into one memorable celebration for Airmen, friends and family. So please mark your calendars today...

If you want to avoid marking your calendars, I recommend downloading the MyMC2 Application for your iPhone or Android. The My Military Community application has a Travis Calendar with upcoming events like the Cultural Diversity Celebration. With this App, Airmen also have an AADD Quick Call button at the touch of a finger. You can search for the "MYMC2" application or just scroll to the bottom of the Zone for convenient QR Code access. If you do not have a smart phone, the Travis Air Force Base Facebook page also shows upcoming events as well as hundreds of photos that span 7 decades of rich Travis heritage. I am honored to serve with you as we continue to write the Travis story every day!
